Privacy Policy

Welcome to Blockademy - The Online Learning Platform. We are committed to protecting your privacy and want to ensure that you understand how we collect, use, and safeguard your personal information.

1. Information We Collect

1.1 Account Information

When you create an account, we collect personal information such as your name, email address, and password to ensure a personalized and secure user experience.

1.2 User Content

Any content you create, upload, or share on our platform, including comments, discussions, or assignments, is collected to facilitate learning and collaboration.

1.3 Usage Data

We gather information about your interactions with our platform, including the courses you enroll in, the time spent on each module, and assessment results, to improve our services.

1.4 Device and Location Information

We may collect information about the device you use to access our platform and your approximate location to optimize the user experience.

2. How We Use Your Information

2.1 Personalization

We use your information to personalize your learning experience, recommend courses, and provide relevant content.

2.2 Communication

We may contact you with important updates, announcements, or personalized recommendations based on your learning preferences.

2.3 Blockchain Integration

Our platform is integrated with Blockchain technology to ensure the security and immutability of certain data, providing enhanced transparency and trust.

3. Information Sharing

3.1 Instructors and Peers

Certain information, such as your username and course interactions, may be visible to instructors and fellow learners to facilitate collaboration.

3.2 Service Providers

We may share data with third-party service providers to assist us in delivering, analyzing, and improving our services.

3.3 Legal Requirements

We may disclose your information in response to legal requests, court orders, or to comply with applicable laws.

4. Your Choices

4.1 Account Settings

You can manage your account settings and privacy preferences through the account dashboard.

4.2 Communication Preferences

You can choose to opt-out of non-essential communications.

5. Security Measures

We implement industry-standard security measures, including Blockchain technology, to protect your personal information from unauthorized access, disclosure, or alteration.

6. Changes to the Privacy Policy

We reserve the right to update this Privacy Policy. You will be notified of any material changes, and your continued use of the platform constitutes acceptance of these changes.

7. Contact Us
